To provide for the support of the privilege of Free Suffrage during the continuance of the War.

Approved April 1, 1864.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. It shall be the duty of the Adjutant-General of the State, on or before the second Tuesday of June, A. D. eighteen hundred and sixty-four, and on the second Tuesday of June in each and every year thereafter during the continuance of our National War, to make a list, as nearly perfect as practicable, of the names of all the electors resident of the State of California who shall then be in the military service of the United States, which names shall be arranged in alphabetical order; and said list shall give the rank of each of said electors in said service; if a regimental or staff officer, the number of the regiment to which he is attached, and if a line or non-commissioned officer, musician, or private, the number of the regiment, battalion, squadron of cavalry, or battery, and the letter of the company in such regiment, squadron, or battalion, to which he belongs, and also the county of his residence in this State; said list shall be delivered by the Adjutant-General to the Secretary of State on or before the said second Tuesday of June, A. D. eighteen hundred and sixty-four, and on the second Tuesday of June of each and every year thereafter during the continuance of the war.

SEC. 2. The Secretary of State shall classify and arrange the list returned to him as aforesaid, and shall make therefrom separate lists of the electors belonging to each regiment, battalion, squadron, and battery from this State, which shall then be in the service of the United States, and shall, on or before the fourth Tuesday of June, A. D. one thousand eight hundred and sixty-four, and on the same day of each and every year thereafter, transmit, by mail or otherwise, to the commanding officer of each regiment, battalion, squadron, and battery, as aforesaid, a list of electors belonging thereto, which shall specify the name, residence, and rank of each elector, and the company to which he belongs, if any, and also, the county, Congressional, Senatorial, and Assembly Districts, for officers of which each of said electors is by this Act entitled to vote.

Sec. 3. In case any regiment in the field shall be divided and stationed in different places or localities, the commanding officer of such regiment shall, upon receiving from the Secretary of State the list of electors in the regiment under his command, forthwith transmit to the officer having for the time being a portion or detachment of such regiment under his command, a list of the electors belonging to said detachment or portion of said regiment, which said list shall be a transcript of said list furnished by the Secretary, so far as relates to the electors to be embraced therein, and shall be certified by the commanding officer of said regiment.

Sec. 4. On the day fixed by law for holding the State election, and also for choosing Electors of President and Vice President of the United States, for the year A. D. eighteen hundred and sixty-four, and for every general election thereafter, during the war in which the National Government is now engaged, a ballot box, or other suitable receptacle for votes, shall be opened, and votes received from the electors whose names are upon said list, at each place where a regiment, detachment of a regiment, a battalion, squadron, or battery of California soldiers in the service of the United States may be on that day, at which time and place the electors belonging to such regiment, detachment, squadron, or battery, shall be entitled to vote for the following named officers, viz:

First—For members of the Legislature;

Second—For members of Congress;

Third—For Presidential Electors; and for which, by reason of their residence in the several counties and districts of this State they are authorized to vote, as fully as they would be authorized to vote at elections in the several counties or districts in which they reside; and the vote so given by such electors at such time and place shall be considered, taken, and held to have been given by them in the respective counties of which they are residents. Such ballot box or other receptacle for votes shall be opened and such votes received under the supervision and charge of the three highest or senior officers in command of such regiment, detachment, squadron, or battery, in which shall be deposited by said electors ballots for all officers for whom, under the provisions of this Act, they are entitled to vote, which ballots shall have the name and office of the persons voted for fairly written or printed on one piece of paper. The name of each elector voting as aforesaid shall be checked at the time of voting by one of the officers having charge of the ballot box as aforesaid upon the list furnished, and the officers receiving said votes shall exercise due care and diligence to prevent any soldier voting by mistake for any officer except such as he is entitled to vote for; but no officer shall open or examine any ballot before the same shall be deposited in the ballot box. Said election shall be opened, if practicable, at nine o'clock in the morning of said day, or, if not then, at such hour in said day as may be agreed upon by the officers whose duty it is to open the same, and shall remain open a sufficient length of time to enable the electors belonging to said regiment, detachment, battalion, squadron, or battery, to vote, and one hour's notice shall be publicly given by the commanding officers before closing said election; and when said election shall have been closed the vote shall be, as soon as possible thereafter, counted by the officers having charge of said ballot box, or persons by them appointed; and the senior officer in command of such regiment, battalion, or squadron, as the case may be, before opening said election, shall administer to the officers conducting said election the following oath, to wit:

"You do solemnly swear, that you will support the Constitution of the United States and the State of California, and discharge the duties of ——— of this election to the best of your ability. So help you God."

Sec. 5. When such votes shall have been counted, all the ballots cast, together with the voting list, checked as aforesaid, shall be sealed up by the commanding officer, and by him, on the day succeeding the day of election, transmitted, by mail or otherwise, to the Secretary of State at Sacramento, and said commanding officer shall also make out and certify duplicate returns of votes given according to the forms hereinafter prescribed, seal up and forthwith transmit the same by separate conveyance to the Secretary of State at Sacramento.

Sec. 6. The form of return of votes to be made by the commanding officers to the Secretary of State shall be as follows, viz:

"Return of soldiers' votes in the (here insert the regiment, detachment, battalion, squadron, or battery.) I hereby certify that on the (here insert the day of the month and year in which such election was held.) the electors belonging to the (here insert the regiment, battalion, squadron, or battery,) cast the following number of votes, respectively, for the several persons hereinafter stated, for the officers designated, viz: For members of the Legislature, (names—number of votes for each person voted for, written in full and also in figures, against the names of each person.) For members of Congress, (names.) For Presidential Electors, (names—number of votes as above)."

Pursuing substantially the above form, specifying particularly each county or district for which votes are cast, and the names of the persons voted for, to which he shall append the following certificate, viz:

"Attest: A. B., Commanding officer of (regiment, detachment, battalion, squadron, or battery, as the case may be)."

Said returns shall be made upon one piece of paper, or upon different pieces of paper connected or fastened together, and it is hereby made the duty of the Secretary of State to prepare and furnish to the commanding officer aforesaid proper and sufficient printed blanks for said returns.

Sec. 7. Any commanding officer who shall neglect or refuse to make such return of votes as is provided in the fifth and sixth sections of this Act, or who shall make a false or fraudulent return of such votes, and any officer who shall, by command, threats, or promises of any advantage or preferment, or in any other improper manner, endeavor to control or influence the vote of any soldier under his command or control, or in like manner endeavor to prevent or induce any soldier to refrain from voting for any particular candidate or candidates for whom such soldier has a right to vote, as provided by this Act, such officer shall forfeit, for every such offence, the sum of two hundred dollars, one half to him who shall prosecute to effect, and the other half to the Treasury of the county in which prosecution for said offence shall be commenced; and any act so committed shall be considered, taken, and held to have been committed by such officer within the jurisdiction of this State, and such officer shall be liable to be prosecuted for such offence before any Justice of the Peace in any county of this State, at any time within one year after such officer shall return to reside in this State; and if satisfactory evidence shall be presented to the Governor of this State that any

officer has been guilty of any of the offences specified in this Act, it shall be the duty of the Governor immediately to cause such evidence to be transmitted to the President of the United States, with the most urgent solicitations that the commission of such officer be revoked and his name stricken from the army roll.

Sec. 8. It shall be the duty of the Secretary of State, upon the receipt of the votes given by the electors belonging to the regiments, detachments, battalions, squadrons, and batteries aforesaid, to transmit to the Clerks of the several counties of this State such portions of the returns of soldiers' votes as he shall have received affecting the election of officers in their county or district; and the Secretary of State shall compare such returns of votes with the check list and the ballots which shall be returned to him as hereinbefore provided, to ascertain that no mistake has been made in the return of votes, and if any mistake shall clearly appear, he shall rectify the same; and the several persons whose duty it is to canvass the votes given for the above named officers, (except Presidential Electors,) are hereby directed to wait, before completing said canvass, until the last Monday of October, A. D. eighteen hundred and sixty-four, and every year thereafter; *provided*, the Secretary of State shall canvass the votes for Presidential Electors before the first Wednesday in December; and after being so canvassed by the Secretary of State, he shall transmit the same to the Clerks of the several counties to which they respectively belong, and it is hereby made their duty and they are directed to count the votes aforesaid which have been returned in the manner herein prescribed.

Sec. 9. The Secretary of State shall, in all cases where it is made his duty by law to canvass the votes and certify the election of any officer in this State, count and include the votes given by the electors belonging to the regiments, detachments, battalions, squadrons, and batteries aforesaid, and returned in the manner herein prescribed.

Sec. 10. The Secretary of State shall, within ten days after the passage of this Act, cause the same to be printed in two daily papers published in the State of California, and transmit a copy of each by mail to the County Clerk of the several counties in this State, and also, a copy of each by mail to each Colonel, Lieutenant-Colonel, and Major, or commanding officer of a California regiment then in the service of the United States.

Sec. 11. The general provisions of the laws of the State of California relating to electors and elections, so far as the same are applicable, shall be pursued and complied with in the voting under this Act, and so far as the same are inconsistent herewith, they are, for the purposes of this Act, repealed.

Sec. 12. All Acts or parts of Acts contravening the provisions of this Act are, for all the purposes of this Act, hereby repealed.

Sec. 13. This Act shall take effect and be in force from and after the date of its passage.

The People of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. It shall be the duty of the Adjutant-General of the State, on or before the first day of July, eighteen hundred and sixty-five, and of each and every year thereafter, to make a list, as nearly perfect as practicable, of the names of all the electors resident of the State of California who shall then be in the military service of the United States, which names shall be arranged in alphabetical order, and said list shall give the rank of each of said electors in said service; if a regimental or staff officer, the number of the regiment to which he is attached, and if a line or non-commissioned officer, musician, or private, the number of the regiment, battalion, or squadron of cavalry, or battery of artillery, and the letter of the company in such regiment, squadron, or battery to which he belongs, and also the county of his residence in this State. Said list shall be delivered by the Adjutant-General to the Secretary of State on or before the said first day of July, eighteen hundred and sixty-five, and of each and every year hereafter.

SEC. 2. The Secretary of State shall classify and arrange the list returned to him as aforesaid, and shall make therefrom separate lists of the electors belonging to each regiment, battalion, squadron, and battery from this State which shall then be in the service of the United States, and shall, on or before the fifth day of July, eighteen hundred and sixty-five, and of each and every year thereafter, transmit, by mail or otherwise, to the commanding officer of each regiment, battalion, squadron, and battery, as aforesaid, a list of electors belonging thereto, which said list shall specify the name, residence, and rank of each elector, and the company to which he belongs, if any, and also the county, Judicial and Supervisor District, for officers of which each of said electors is entitled to vote; and the Secretary of State is hereby directed to furnish two copies of this Act to the commanding officer of each regiment, battalion, squadron, and battery, as aforesaid.

SEC. 3. In case any regiment in the field shall be divided and stationed in different places or localities, the commanding officer of such regiment shall, upon receiving from the Secretary of State the list of the electors in the regiment under his command, forthwith transmit to the officer having for the time being a portion or detachment of such regiment under his command, a list of the electors belonging to said detachment or portion of said regiment, which said list shall be a transcript of said list furnished by the Secretary, so far as relates to the electors to be embraced therein, and shall be certified by the commanding officer of said regiment.

Sec. 4. On the day fixed by law for holding any election within the provisions of this Act authorized by law in this State, an election shall be held, and a ballot box or other suitable receptacle for votes shall be provided, and votes received from the electors whose names are upon said list, at each place where a regiment, detachment of a regiment, a battalion, squadron, or battery of California soldiers in the service of the United States may be on that day, at which time and place the electors whose names are upon said list belonging to such regiment, detachment, squadron, or battery, shall be entitled to vote under the provisions of this Act for all officers for which, by reason of their residence in the several counties of this State, they would be authorized to vote, as fully as they would be entitled to vote at elections in the several counties and districts in which they reside, and the votes so given by such electors at such time and place shall be considered, taken, and held to have been given by them in the respective counties of which they are residents. Such election shall be held, and such ballot box or other receptacle for votes shall be provided, and such votes received under the supervision and charge of the three highest or senior officers in command of such regiment, detachment, squadron, or battery, in which shall be deposited by said electors ballots for all officers for whom, under the provisions of this Act, they are entitled to vote, which ballots shall have the name and office of the persons voted for fairly written or printed on one piece of paper. The name of each elector voting as aforesaid shall be checked at the time of voting by one of the officers having charge of the ballot box as aforesaid upon the list furnished, and the officers receiving said votes shall exercise due care and diligence to prevent any soldier voting by mistake for any officer except such as he is entitled to vote for; but no officer shall open or examine any ballot before the same shall be deposited in the ballot box. Said election shall be opened, if practicable, at nine o'clock in the morning of said day, or if not then, at such hour in said day as may be agreed upon by the officers whose duty it is to open the same, and shall remain open a sufficient length of time to enable the electors belonging to said regiment, detachment, battalion, squadron, or battery to vote, and one hour's notice shall be publicly given by the commanding officers before closing said election. And when said election shall have been closed, the votes shall be, as soon as possible thereafter, counted by the officers having charge of said ballot box, or persons by them appointed; and the senior officer in command of such regiment, battalion, or squadron, as the case may be, before opening said election, shall administer to the officers conducting such election the following oath, to wit:

"You do solemnly swear that you will support the Constitution of the United States and the State of California, and discharge the duties of ——— of this election to the best of your ability. So help you God."

Sec. 5. When such ballots shall have been counted, the officers conducting said election shall make out a certificate of the result of said election, which certificate shall be taken as evidence of the votes cast; and the commanding officer of such regiment, detachment, battalion, squadron, or battery, as the case may be, shall seal up and forthwith transmit the same to the Secretary of State at Sacramento.

Sec. 6. The form of returns of votes to be made by the commanding officers to the Secretary of State shall be as follows, viz:

Any commanding officer who shall neglect or refuse to make such return of votes as is provided in the fifth and sixth sections of this Act, or who shall make a false or fraudulent return of such votes, and any officer who shall, by command, intimidation, threats, or promises of any advantage or preferment, or in any other improper manner, endeavor to control or influence the vote of any soldier under his command or control, or in like manner endeavor to prevent or induce any soldier to refrain from voting for any particular candidate or candidates for whom such soldier has a right to vote as provided by this Act, such officer shall forfeit for every such offence the sum of two hundred dollars, one half to him who shall prosecute to effect, and the other half to the Treasury of the county in which prosecution for said offence shall be commenced, and any act so committed shall be considered, taken, and held to have been committed by such officer within the jurisdiction of this State, and such officer shall be liable to be prosecuted for such offence before any Justice of the Peace in any county of this State at any time within one year after such officer shall return to this State; and if satisfactory evidence shall be presented to the Governor of this State that any officer has been guilty of any of the offences specified in this Act, it shall be the duty of the Governor immediately to cause such evidence to be transmitted to the President of the United States, with the most urgent solicitations that the commission of such officer be revoked, and his name stricken from the army roll.

Sec. 8. The Secretary of State shall, on the first day of the session of the Legislature, return to the Speaker of the Assembly the result of the votes given as set forth in said certificates of election for Governor and Lieutenant-Governor, which shall be opened and published at the same time and in the same manner, and with like effect, as the votes returned by the Clerks of the several counties of this State; and, further, that the Secretary of State shall add the vote received from the counties to the soldiers' vote, and certify the same to the Governor; and, further, that the Secretary of State shall be allowed until the third Monday in December to add supplemental returns of the votes of soldiers.

Sec. 9. It shall be the duty of the Secretary of State, upon the receipt of votes given by the electors belonging to the regiments, detachments, battalions, squadrons, and batteries aforesaid, to transmit to the Clerks of the several counties of this State such portion of the returns of soldiers'

votes as he shall have received affecting the election of officers in their county or district; and the several persons whose duty it is to canvass the votes given for county or district officers are hereby directed to wait before completing said canvass until sixty days from the time when such general, judicial, district, county, or special election may be held; but they are hereby required to canvass such votes on the said sixtieth day, except in such cases as it might happen to fall on Sunday, Christmas Day, New Years Day, or the Fourth Day of July, when the following day shall be considered as the sixtieth day, and it is hereby made their duty and they are directed to count the votes aforesaid from the certificate of election which shall have been returned in the manner heretofore prescribed.

Sec. 10. The Secretary of State shall, in all cases where it is made his duty by law to canvass the votes and certify the election of any officer in this State, count and include the votes given by the electors belonging to the regiments, detachments, battalions, squadrons, and batteries aforesaid, and returned in the manner herein prescribed.

Sec. 11. The Secretary of State shall, within ninety days after the passage of this Act, cause the same to be printed in pamphlet form, and transmit two copies thereof by mail to the County Clerk of the several counties of this State, and also two copies by mail or Government Express to each Colonel, Lieutenant-Colonel, and Major, or commanding officer of a California regiment then in the service of the United States.
